SUMMARY

I am a Front-End Developer with a Bachelor of Science in Computer Science, eager to apply my solid foundation in programming languages like C++ and JavaScript to real-world projects. My background in development is backed by hands-on experience gained through various projects, including a note management tool and an interactive e-learning platform. I aspire to build a successful career while continuously learning and growing in the field of technology.

PROJECTS

Portfolio

🔗 https://neelamay31.github.io/PORTFOLIO_WEBSITE/

Developed a responsive and modern portfolio website to showcase my projects, skills, and resume.
- Implemented a clean and modern UI using Tailwind CSS for an enhanced user experience.
- Showcases projects, skills, and contact details in a structured, user-friendly interface.

E-Learning

🔗 https://neelamay31.github.io/E-Learning-Website/

An interactive e-learning platform for educational purposes.
- Developed an interactive e-learning platform using HTML, CSS, and JavaScript.
- Designed and implemented a responsive user interface to ensure a seamless experience across devices.
- Utilized CSS to design visually appealing layouts and improve usability.
- Enhanced user engagement through interactive elements like animations and dynamic content updates.

CERTIFICATION

Web Development with Intershala trainings
